- ▶ 7:40pm – 7:50pm Introduction of the Group
- ▶ 7:50pm – 8:00pm Introduction of the Members
- ▶ 8:00pm – 8:20pm Talk: “Introduction to NumPy, SciPy, and Matplotlib”
- ▶ 8:00pm – 8:30pm Questions and Answers
- ▶ 8:30pm – 9:00pm Open Discussion on “What Do You Expect for PyHUG”
- ▶ 9:00pm See You Next Time

# Python Hsinchu User Group

- ▶ Objectives:
  - ▶ Organize regular meetings to connect Python programmers.
  - ▶ Encourage Python programmers to discuss their problems and improve their skills.
  - ▶ Promote Python in the engineering and scientific practices.
- ▶ The program of PyHUG monthly meetings:
  - ▶ A Monday night of every month.
  - ▶ Allocate two short talks.
  - ▶ Open discussions and hacking.
- ▶ Current format of the short talks:
  - ▶ 20 minutes for each talk and 10 minutes for questions. Total is 30 minutes.
  - ▶ No constraints on the topics.

# Online Resources

- ▶ Meetup page: <http://www.meetup.com/pythonhug/>
- ▶ python.tw mailing list (Google group):  
<https://groups.google.com/forum/#!forum/pythontw>
- ▶ IRC room is at Freenode/[#python.tw](http://webchat.freenode.net/?channels=python.tw):  
<http://webchat.freenode.net/?channels=python.tw>
- ▶ This slide:
